

Supplies: One quiz sheet for each student. One copy of the answer key for trainer. A Student Summary Sheet for each student.

Trainer Instructions: There is a 10-question quiz for each session of the Year 2 training. Each quiz is in a True/False format. The final test at the end of the training (Session 12) will include questions from each quiz.

In all quizzes, the word “you” refers to the DSP. “Individual” or “person” refers to the person with developmental disabilities.

When you are ready to administer the quiz, hand one quiz to each student. Read the following directions out loud:

“Read each question carefully. Answer each question by circling T for True or F for False. Let’s do an example together. Look at the question in the box at the top of your quiz sheet.” (Read the question out loud. Have the class answer it together.)

1. **T / F** DSP stands for *Direct Support Professional*.

“The answer to this question is True, so the T is circled. Did everyone circle the T? Does anyone have any questions?”

After answering any questions and assisting any student who did not circle the T, say, **“You may begin.”**

Have students complete the quiz individually. Each quiz should take approximately 10 minutes for students to complete.

Review the quiz as a group and have each student grade his or her own quiz. Ask students to write the number missed at the top of the page. Review all questions and discuss the right answer. If the quiz question is false, make sure that all the students know the “True” answer.

Record the results of each student’s quiz on the Student Summary Sheet (along with attendance and skill check information). However you choose to record the scores e.g. collect the quizzes at the end of each session and return to students next session, all students must have a copy of the corrected quizzes in order to prepare for the test. At the end of the training class, the Student Summary Sheet is distributed to the student and his/her administrator by the ROCP. See the ROCP Procedure Manual, Section 3: Student Registration or Section 5: Distribution of Test Results for additional information.
